“The Black Hawk College East Campus Ag Alumni believes in the future of the Black Hawk College East Campus and our agriculture students becoming the next leaders of our industry. Through contributions from donors like you, we continue to award gifts to students and faculty at the East Campus in all agriculture programs. This past year we supported events such as the BHC East Campus 50th Anniversary Celebration, the Annual Ag Recognition Program and the Aggie Picnic. We continue to award scholarships through faculty requests and to two outstanding students annually. This is all made possible because of your contributions. We appreciate and thank you for your efforts!

Please join us Jan. 26 for an evening of fellowship and fundraising.”

-Renee Crabtree, ABCA Chair
